

356 children were treated for worms

72 adults were given de-worming medication

Jumbo Express used appropriate doses of the following medicines for de-worming in 2006:

Combantrin:

Pyrantel chocolate squares for threadworm, roundworm, & hookworm

*1 square = {pyrantel embonate, equivalent to 100mg pyrantel}*

Para x:

Single dose treatment for roundworm, pinworm, & hookworm

5 ml = {Pyrantel pamoate equivalent to 125 mg, base}

Zela-C:

Treatment for threadworm, roundworm, hookworm, pinworm, tapeworm, & whipworm

*5 ml = {200mg Albendazole}*
